Part-Time Students

Part-time enrollment refers to enrollment of less than 9 credits during a semester. Students seeking part-time enrollment must obtain approval from the Office of Graduate and Post-Doctoral Studies. Part-time enrollment tuition is calculated on the per-credit rate. Students not approved for part-time enrollment will be assessed the full-time enrollment tuition charge.

Reduced Tuition Rate

After 10 semesters of full-time study in one doctoral degree program (excluding the summer semesters), continuing students may be eligible for a reduced tuition rate. A semester of full-time study is defined as a fall or spring semester in which at least 9 hours of credit are earned. Students in the Shepherd School of Music and the School of Architecture are eligible for reduced rate tuition after six semesters of full-time study.

Billing Information

Rice University uses an electronic billing system, commonly referred to as eBILL. Each month, current term enrolled students will receive

an email notification from Rice_Cashier@rice.edu, informing them of a newly published statement, along with instructions on how to view the statement within ESTHER (<https://esther.rice.edu>).

Term payments are due in full based on the following schedule. Students may enroll in a deferred payment plan where the first installment is due on the following schedule:

Summer Quadmester ¹	July 10
Fall Semester	September 10
Fall Quadmester ¹	October 10
Winter Quadmester ¹	January 10
Spring Semester	February 10
Spring Quadmester ¹	April 10
Summer Sessions	June 10

¹ The four quadmester academic calendar is presently in use for the MBA@Rice (online MBA) degree program.

Late Payments

Student accounts not paid in full (or whose payment plan is not current) by the billing due date will be subject to a 1.5% late fee. Late fees are calculated based on the amount past due. Students experiencing difficulty with paying their balance should contact the [Cashier's Office](https://cashier.rice.edu/) (<https://cashier.rice.edu/>) promptly to discuss payment options.

Delinquent Accounts

Rice University reserves the right to block or cancel the registration of any student who fails to pay, when due, any indebtedness to the institution.

Academic credits, transcripts, and diplomas will be withheld until all financial obligations are paid in full.

Tuition Adjustments & Credit Balances

Tuition and Fee Reversal for Withdrawals and Drops

University Withdrawals

Students officially withdrawing from all courses are eligible for a 100% reversal of tuition and fees through the deadlines listed on the [Academic Calendar](https://registrar.rice.edu/calendars/) (<https://registrar.rice.edu/calendars/>) by semester.

Students officially withdrawing from all courses after the 100% reversal of tuition and fee deadline are eligible for a partial reversal of tuition. Fees are not reversed. Consult the [Academic Calendar](https://registrar.rice.edu/calendars/) (<https://registrar.rice.edu/calendars/>) for specific tuition refund prorations based on the date of withdrawal.

Dropped Courses

Students dropping individual course(s) after the 100% tuition reversal period will not be eligible for a refund and will remain liable for payment of full tuition and fee charges though certain exceptions may apply, outlined in the [Registration Drop/Add section](https://ga.rice.edu/graduate-students/academic-policies-procedures/regulations-procedures-all-degrees/) (<https://ga.rice.edu/graduate-students/academic-policies-procedures/regulations-procedures-all-degrees/>). Non-attendance does not constitute an official course drop or withdrawal. All charges due to Rice University must be paid before refunds or adjustments will be permitted.

In cases of academic or disciplinary suspension, eligibility for tuition refunds and adjustments will depend on the conditions of the suspension and will be entirely at the option of the institution. Should circumstances beyond the reasonable control of Rice University result in curtailing

classes, moving classes online, closing residence facilities, or otherwise withdrawing services that are a normal function of the institution, refunds of any nature will be at the discretion of university administration.

Financial Aid

In addition to the university's reversal schedule and in accordance with the Higher Education Amendments of 1992, if a student completely withdraws from the university and has utilized Federal Title IV funds (e.g. Federal Pell Grant, Federal Supplemental Educational Opportunity Grant [SEOG], Academic Competitiveness Grant, National SMART Grant, Federal Perkins Loan, Federal Direct Stafford Student Loan, Federal Direct PLUS, Federal Direct Graduate PLUS) during the semester in which they withdraw, the university will observe the federally mandated process in determining what, if any amount of money must be returned to the federal program(s).

The calculation of the return of funds may result in the student owing a balance to the university and/or the Department of Education.

Credit Balance Refunds

Student account credits resulting from excess Federal Financial Aid payments, scholarship payments, and loan payments are automatically refunded by the Cashier's Office; however, there may be certain circumstances where credits on student accounts occur that may not be automatically refunded. Reversed charges, over payments, tuition waivers, and other varying factors may lead to a credit balance on a student account.

For those credits not automatically refunded, students may request disbursement of the credit balance through email to cashier@rice.edu.

Credit Balance Refund Delivery

Direct deposit funds are issued to students that are enrolled in [Electronic Refunds](https://cashier.rice.edu/general-refund-information/) (<https://cashier.rice.edu/general-refund-information/>). For students not enrolled in [Electronic Refunds](https://cashier.rice.edu/general-refund-information/) (<https://cashier.rice.edu/general-refund-information/>), refund checks are issued and mailed directly from JP Morgan Chase to the student mailing address on record.

Student Financial Responsibility Agreement

Before enrollment for a new semester can occur, students must consent to a [Student Financial Responsibility Agreement](https://cashier.rice.edu/student-financial-responsibility-agreement/) (<https://cashier.rice.edu/student-financial-responsibility-agreement/>).
