Policies for the Minor in Asian Studies Program Restrictions and Exclusions

Students pursuing the minor in Asian Studies should be aware of the following program restriction:

- As noted in [Majors, Minors, and Certificates](https://ga.rice.edu/undergraduate-students/academic-opportunities/majors-minors-certificates/) (https://ga.rice.edu/undergraduate-students/academic-opportunities/majors-minors-certificates/), i.) students may declare their intent to pursue a minor only after they have first declared a major, and ii.) students may not major and minor in the same subject.

Transfer Credit

For Rice University's policy regarding transfer credit, see [Transfer Credit](https://ga.rice.edu/undergraduate-students/academic-policies-procedures/transfer-credit/) (https://ga.rice.edu/undergraduate-students/academic-policies-procedures/transfer-credit/). Some departments and programs have additional restrictions on transfer credit. The Office of Academic Advising

maintains the university's official list of [transfer credit advisors](https://oaa.rice.edu/advising-network/transfer-credit-advisors/) (https://oaa.rice.edu/advising-network/transfer-credit-advisors/) on their website: <https://oaa.rice.edu>. Students are encouraged to meet with their academic program's transfer credit advisor when considering transfer credit possibilities.

Departmental Transfer Credit Guidelines

Students pursuing the minor in Asian Studies should be aware of the following departmental transfer credit guidelines:

- No more than 2 courses (6 credit hours) of transfer credit from U.S. or international universities of similar standing as Rice may apply towards the minor.
- Requests for transfer credit will be considered by the program director (and/or the program's official transfer credit advisor) on an individual case-by-case basis.

Distribution Credit Information

The determination of distribution credit eligibility is done initially as part of the [new course creation process](https://registrar.rice.edu/facstaff/courseprocess/) (https://registrar.rice.edu/facstaff/courseprocess/). Additionally, as part of an [annual roll call](https://registrar.rice.edu/facstaff/distribution_credit/) (https://registrar.rice.edu/facstaff/distribution_credit/) coordinated each Spring by the Office of the Registrar, course distribution credit eligibility is routinely reviewed and reaffirmed by the Dean's Offices of each of the academic schools.

Faculty and leadership in the academic schools are responsible for ensuring that the courses identified as distribution-credit-eligible meet the criteria as set in the [General Announcements](https://ga.rice.edu/undergraduate-students/academic-policies-procedures/graduation-requirements/#text) (https://ga.rice.edu/undergraduate-students/academic-policies-procedures/graduation-requirements/#text). Students are responsible for ensuring that they meet [graduation requirements](https://ga.rice.edu/undergraduate-students/academic-policies-procedures/graduation-requirements/#text) (https://ga.rice.edu/undergraduate-students/academic-policies-procedures/graduation-requirements/#text) by completing coursework designated as distribution-credit-eligible at the time of course registration.

Distribution courses from Asian Studies (ASIA) develop students' critical and aesthetic understanding of texts and the arts. They lead students to the analytical examination of ideas and values and introduce students to the variety of approaches and methods with which different disciplines approach intellectual problems. Additionally, they engage students with words of culture that have intellectual importance by virtue of the ideas they express, their historical influence, their mode of expression, or their critical engagement with established cultural assumptions and traditions.
