Policies for the Minor in History

Program Restrictions and Exclusions

Students pursuing the minor in History should be aware of the following program restriction:

- As noted in [Majors, Minors, and Certificates](https://ga.rice.edu/undergraduate-students/academic-opportunities/majors-minors-certificates/) (<https://ga.rice.edu/undergraduate-students/academic-opportunities/majors-minors-certificates/>), i.) students may declare their intent to pursue a minor only after they have first declared a major, and ii.) students may not major and minor in the same subject.

Transfer Credit

For Rice University's policy regarding transfer credit, see [Transfer Credit](https://ga.rice.edu/undergraduate-students/academic-policies-procedures/transfer-credit/) (<https://ga.rice.edu/undergraduate-students/academic-policies-procedures/transfer-credit/>). Some departments and programs have additional restrictions on transfer credit. The Office of Academic Advising maintains the university's official list of [transfer credit advisors](https://oaa.rice.edu/advising-network/transfer-credit-advisors/) (<https://oaa.rice.edu/advising-network/transfer-credit-advisors/>) on their website: <https://oaa.rice.edu>. Students are encouraged to meet with their academic program's transfer credit advisor when considering transfer credit possibilities.

Departmental Transfer Credit Guidelines

Students pursuing the minor in History should be aware of the following departmental transfer credit guidelines:

- No more than 2 courses (6 credit hours) of transfer credit from U.S. or international universities of similar standing as Rice may apply towards the minor.
- Requests for transfer credit will be considered by the departmental Director of Undergraduate Studies (and/or the program's official transfer credit advisor) on an individual case-by-case basis.
- Courses taken at another university, including online courses, must be equivalent in required reading, writing, research and testing, as well as classroom hours, of a Rice history course. Regarding subject matter, however, there does not have to be an equivalent course in the Rice history course offerings, unless the student requires distribution credit.
- Rice students planning to study at a foreign university must also obtain pre-approval from the Rice Study Abroad Office.
- Transfer credit received via the articulation of approved exam credit, such as advanced placement (AP) credit, international baccalaureate (IB) credit, or A-level credit (for HIST 103, HIST 105, HIST 107) will not be considered towards minor requirements.

Distribution Credit Information

The determination of distribution credit eligibility is done initially as part of the [new course creation process](https://registrar.rice.edu/facstaff/courseprocess/) (<https://registrar.rice.edu/facstaff/courseprocess/>). Additionally, as part of an [annual roll call](https://registrar.rice.edu/facstaff/distribution_credit/) (https://registrar.rice.edu/facstaff/distribution_credit/) coordinated each Spring by the Office of the Registrar, course distribution credit eligibility is routinely reviewed and reaffirmed by the Dean's Offices of each of the academic schools.

Faculty and leadership in the academic schools are responsible for ensuring that the courses identified as distribution-credit-eligible meet the criteria as set in the [General Announcements](https://ga.rice.edu/undergraduate-students/academic-policies-procedures/graduation-requirements/#text) (<https://ga.rice.edu/undergraduate-students/academic-policies-procedures/graduation-requirements/#text>). Students are responsible for ensuring that they meet [graduation requirements](https://ga.rice.edu/undergraduate-students/academic-policies-procedures/graduation-requirements/#text) (<https://ga.rice.edu/undergraduate-students/academic-policies-procedures/graduation-requirements/#text>) by completing coursework designated as distribution-credit-eligible at the time of course registration.

[students/academic-policies-procedures/graduation-requirements/#text](https://ga.rice.edu/undergraduate-students/academic-policies-procedures/graduation-requirements/#text)) by completing coursework designated as distribution-credit-eligible at the time of course registration.

Opportunities for the Minor in History

Academic Honors

The university recognizes academic excellence achieved over an undergraduate's academic history at Rice. For information on university honors, please see [Latin Honors](https://ga.rice.edu/undergraduate-students/honors-distinctions/university/) (<https://ga.rice.edu/undergraduate-students/honors-distinctions/university/>) (*summa cum laude*, *magna cum laude*, and *cum laude*) and [Distinction in Research and Creative Work](https://ga.rice.edu/undergraduate-students/honors-distinctions/university/) (<https://ga.rice.edu/undergraduate-students/honors-distinctions/university/>). Some departments have department-specific Honors awards or designations.

Research Assistantships

The Department of History offers several paid Research Assistantships to give undergraduate students the opportunity to work closely with a faculty member and exercise their historical research skills.

Charles Garside, Jr. Prize in History

Awarded to a "distinguished student of history to honor the memory of Charles Garside, Jr.," a member of the Rice faculty from 1966-1987. The prize offers the winners time to broaden and deepen their education through travel and reflection. Minors may be considered for the award, however priority will be given to History Majors.

Ira and Patricia Gruber Fund for Undergraduate Research

This fund supports, among other things, independent research projects carried out by history majors and minors under the supervision of department faculty. Typical forms of support include reimbursements or advances for travel to an archive to do research or to a conference to present a paper.

Elizabeth A. Pyke Prize

Awarded to distinguished continuing undergraduate students of history to honor Elizabeth A. Pyke, sister of alumni James T. Pyke '97 and Carolyn S. Pyke '94, and her love of history, especially in the era between the American Civil War and World War II. The prize offers support for domestic or international travel, research, or other experiential learning and enrichment opportunities related to history.
