#### **Footnotes and Additional Information**

**Total Credit Hours** 

- At least six of the required eight semesters of MUSI 655 *Clarinet for Majors-Advanced* must be taken during residency as a DMA student.
- Students pursuing the DMA degree on a wind instrument or percussion must be enrolled in MUSI 635 Advanced Orchestra during four of their six semesters of residency. They may elect to enroll in one or two additional semesters or be required to do so by their major teacher. The student in consultation with their major teacher will choose the semesters for participation.
- Doctoral recital requirements can be fulfilled in any of the following combinations for four (4) total performed while a DMA student:
  - three (3) solo recital and one (1) lecture recital; or
  - two (2) solo recitals, one (1) lecture recital, one (1) mock audition
- 4 4 courses (3 credit hours each) comprise the 12 credit hours required of Music History coursework.
  - 2 courses (3 credit hours each) comprise the 6 credit hours required of Music Theory coursework.

- 2
- Graduate academic coursework taken elsewhere may be transferred with the approval of the relevant Department Chair. Additional hours of required performance coursework may not count toward the elective requirement. A maximum of three (3) credit hours of MUSI 649 *Graduate Independent Study* can count towards degree requirements.
- At the end of their sixth semester of coursework, each doctoral student will receive six questions, three each from the Musicology Department and the Theory Department, and will be assigned a faculty mentor from each Department. The students will have all summer to research and write draft answers. On or around September 15th of the seventh semester, students will meet with their mentors to demonstrate the progress they have made and to receive feedback and guidance. The students will submit their completed essays by November 15th. Their work will be graded by three members of each department. If all six questions are passed, the student then will prepare for an oral exam. One question from each department will be chosen by the mentor for the student to develop into a presentation as if teaching a class of approximately 30-35 minutes, followed by a question-and-answer discussion of about 20 minutes based on, but not limited to, the student's presentation. The exam will be scheduled for two hours, and will include the studio teacher as well as the two mentors. The individual instrument and composition exams remain the same. If a student fails any of six questions, he or she will be given one new question, and a new submission deadline of February 1st. This additional exam question is the final opportunity to pass.
- The doctoral document must be publicly defended.

## **Policies for the DMA Degree**

#### **Shepherd School of Music Graduate Program Handbook**

The General Announcements (GA) is the official Rice curriculum. As an additional resource for students, the Shepherd School of Music publishes a graduate program handbook, which can be found here: <a href="https://gradhandbooks.rice.edu/2023\_24/Shepherd\_School\_of\_Music\_Graduate\_Handbook.pdf">https://gradhandbooks.rice.edu/2023\_24/Shepherd\_School\_of\_Music\_Graduate\_Handbook.pdf</a>

#### Admission

A live audition is required for Instrumental Performance and Vocal Performance applicants. Composition applicants must submit a portfolio of representative works and interview with faculty. All doctoral applicants must complete exams in Music History and Music Theory and provide a recent research or analytic paper.

#### **Academic Standards**

#### **Curriculum and Degree Requirements**

Further information on curricular requirements for all majors and degree programs is available from the Shepherd School of Music.

#### **Grading Policy**

A minimum grade of B- (2.67 grade points) per course is expected of all music students in their major applied area. A grade of C+ (2.33

grade points) or lower in a course in the student's major applied area is considered unsatisfactory and will be evaluated in the following manner:

- A music major who receives a grade of C+ (2.33 grade points) or lower in a course in their major applied area will be placed on music probation. Music probation signifies that the student's work has been sufficiently unsatisfactory to preclude graduation unless marked improvement is achieved promptly. A student on music probation may be absent from class only for extraordinary reasons and may not represent the school in any public function not directly a part of a degree program.
- If a student receives a second semester of C+ (2.33 grade points) or lower in a course in their major applied area, whether for consecutive semesters or not, the student will be discontinued as a music performance major and merit scholarship from the Shepherd School will be discontinued.

**Note**: For music history and musicology majors a grade of C+ (2.33 grade points) or lower in any music history course is considered unsatisfactory and will be evaluated as above.

Graduate degree requirement: a minimum overall grade point average of 2.67 is necessary for graduation.

#### **Leaves of Absence and Voluntary Withdrawal**

Music majors must obtain permission in writing from the dean of the Shepherd School before requesting a leave of absence from the university. Requests must be in the dean's office before the first day of classes in the semester for which leave is requested.

Music majors taking voluntary withdrawal from the university are not guaranteed readmission into the Shepherd School and may be asked to reapply/reaudition. Students should explain the reasons for their withdrawal to the dean before leaving campus.

#### **Transfer Credit**

For Rice University's policy regarding transfer credit, see <u>Transfer Credit</u> (<a href="https://ga.rice.edu/graduate-students/academic-policies-procedures/regulations-procedures-all-degrees/#transfer">https://ga.rice.edu/graduate-students/academic-policies-procedures/regulations-procedures-all-degrees/#transfer</a>). Some departments and programs have additional restrictions on transfer credit. Students are encouraged to meet with their academic program's advisor when considering transfer credit possibilities.

#### **Program Transfer Credit Guidelines**

Students pursuing the DMA degree should be aware of the following program-specific transfer credit guidelines:

 Requests for transfer credit will be considered by the program director on an individual case-by-case basis.
