

ACADEMIC POLICIES AND PROCEDURES

All undergraduate students are subject to the academic regulations of the university. Students are expected to follow the most recent academic policies and procedures as presented in the General Announcements each year, and ensuring they meet all departmental and university requirements and academic deadlines.

The Committee on Examinations and Standing (EX&S) administers the rules and regulations documented here. Under unusual or mitigating circumstances, students may submit a written petition requesting special consideration to the committee. Students should address all correspondence to the EX&S committee in care of the Office of the Dean of Undergraduates. Further information about the petition process can be found on the *Committee on Examinations and Standing* page of the *Dean of Undergraduates* (<https://dou.rice.edu/committee-examinations-and-standing/>) website.
